

Nanhe Kadam Pathshala

Annual Report

Academic Year 2023-24

Introduction

At Sapno Ke Pankh, our mission is to provide quality education and holistic development to underprivileged children, enabling them to become confident, independent, and conscious individuals. In the past year, we have made significant strides in our journey to ensure that every child in our care has access to a better future.

This report outlines our achievements, key events, and the programs that have supported our school's growth and development.

Key Events and Milestones

Expansion of School Infrastructure

Morning Shift Started: In April 2023, we began operating in a morning shift, accommodating 4 classrooms (Nursery, KG, 1st grade). We started with 150 children in the afternoon shift for grades 2 to 5. By the end of the year, 135 children continued their education at Sapno Ke Pankh.

Expansion: Due to the growing number of students, we added another floor to our school, expanding our capacity to offer more classes and facilities.

Graduation Ceremony - April 9, 2024

A memorable event where we celebrated the academic achievements of our graduating students, marking their progress and success at Sapno Ke Pankh.

Picnic to Bharat Darshan - Delhi

Our students experienced the cultural diversity and historical significance of Delhi on a fun-filled trip. We organized a bus, food, and snacks to ensure an enriching experience.

Burger King Workshop

A special workshop conducted at Burger King taught our children important life skills like table manners and how to responsibly order food in a restaurant setting.

IPCA Workship for plastic waste management

In collaboration with Kia Motors, IPCA conducted a "Save the Environment" campaign. This initiative focused on reducing plastic waste, and they installed recycling bins throughout the school premises to encourage sustainable practices.

Celebration of Key National Events

Independence Day: We commemorated the spirit of independence with performances, speeches, and activities that taught our children about their country's history and the importance of freedom.

Republic Day: The children actively participated in flag hoisting and cultural events, instilling a sense of patriotism.

Celebration of Key Festivals

Diwali Celebrations (November 10, 2023)

A festival of lights, celebrated with cultural performances, arts and crafts, and festive food, spreading joy and togetherness among our students.

Holi Celebration

A joyful day of colors and fun where children celebrated the festival of Holi, learning the significance of the festival and enjoying the traditions of color and unity.

Annual Day Celebrations

A grand event showcasing the talent and creativity of our students through various performances, celebrations, and awards.

Parent-Teacher Meetings (PTMs)

Regular PTMs provided an opportunity for one-on-one discussions with parents about their children's progress, challenges, and well-being. These meetings are instrumental in our 3-way approach for holistic development, where parents, school, and community collaborate to support each child's growth.

Benetton Partnership

We continue to receive unwavering support from Benetton, who provide clothing, shoes, bags, and bottles, ensuring that our students are well-equipped with essentials.

Our Approach to Holistic Development

This year, we implemented a three-way approach for the well-being of our children:

Counseling and Support: Regular counseling sessions for both children and parents ensure that emotional and psychological needs are addressed. Through personalized forms and discussions, parents share valuable insights about their child's well-being at home, and we collaborate to ensure a balanced development.

Child-Centered Growth: We understand the unique challenges our children face, and provide tailored support for their growth journey, whether through counseling sessions or individual attention.

Looking Ahead

In the coming year, Sapno Ke Pankh aims to expand our capacity and continue to offer more opportunities for our children. We are planning to upgrade the school to include classes up to grade 8. This will enable us to offer more comprehensive education and extracurricular activities, helping children grow into well-rounded individuals ready to tackle life's challenges.

Conclusion

We are grateful for the continued support from our partners, donors, and well-wishers. Our journey to empower underprivileged children through education and holistic development is made possible by your contributions. We invite you to join us in this mission as we work to create brighter futures for the children of Sapno Ke Pankh.

Join us. Support us. Believe in the dreams of our children.

At Nanhe Kadam Pathshala, every small step is a giant leap towards a brighter tomorrow...
